

MARCH FOR LIFE UK
LIFE FROM CONCEPTION - NO EXCEPTION

Church Announcement

Church Talk for March for Life UK/LifeFest 20

Hello/Hi, I'm speaking here today to invite you to attend March for Life UK on Saturday 13th June in London. 10 years ago the Equality Act was passed in the UK. This replaced the Disability Act which was passed in 1995, yet a decade later, in a so-called civilised nation, we still don't have the most basic rights for the most vulnerable human beings, in fact they are not even recognised as human beings. In 2020, unborn human beings still don't have a right to life although science tells us unequivocally that human life starts at conception. That's why our theme for this year is 'Equal From Day One'. We're human from day one so we're equal from day one.

If you've never attended a March for Life before then here's what to expect:
(To be read out at Catholic churches: To begin with there is a 9am Mass available at the local Sacred Heart Church celebrated by one of the bishops who are attending).
The morning part of the day is held indoors at the Emmanuel Centre and is called 'LifeFest20'. It runs from 10.30am – 1pm with pro-life stalls, children's sections aged 0-5, 5-12 and 12-17, a prayer room, an abortion reality room, live music and some of the best pro-life speakers in the world.

After the morning festival we move on to the key part of the day – the march! We will have a joy filled 'march' or procession through the heart of London proclaiming our central message of 'Life from conception – No exception' before coming to a standstill for a time of public, quiet reflection and our keynote speakers.

So, how can you help?

- *Firstly, we need your presence. You may be just one amongst thousands but your voice counts and we need it to be heard. Come to this year's March for Life on 13th June and be a voice for the voiceless! If we can come together as a group or parish even better!
- *March for Life costs around £60,000 annually to host so any donations made via our website marchforlife.co.uk will be greatly appreciated no matter how small – your donation will be an investment in the future of this country.
- *Link with us via our website or our social media platforms.
- *Lastly, and most importantly, could you pray for us, our work is for the Glory of God, we can do nothing without His help!

If you are concerned about the many women and men whose lives have been permanently scarred through abortion. If you want future generations to grow up in a country where all lives have an equal value not based on ability, intelligence, size or age but a value based on being part of the human race. If you believe in equality – real equality – equality for all, then come and join us on Saturday 13th June in London where we will be marching for life and proclaiming that we are all EQUAL FROM DAY ONE!

Thank you.
